ABOUT US

Paul Ryan once said “Behind the success of every small business, there is a family.” Just as that Shape Trading LLC is a family-owned and managed business established in the early 90’s in Dubai, United Arab Emirates. We are a wholesale distributor of Electrical products and house appliance products better known by the home of Power King, Philux and Marshal, specializing in fans, stabilizers, power inverters, extension cables, lighting and home appliances. Our brands and products were created with only one motto in mind to provide quality products with durability to suit our customers homes. By holding this motto as the heartbeat of our business, we have succeeded in establishing love and trust for our brand throughout Africa and Middle East.

Our sister companies are;

- Cony Trading LLC
- Fair Deal Trading LLC
- Channel Tech Distribution FZCO
- Ginni International Limited HK
